

# WE'RE LOOKING FORWARD TO SEEING YOU SAFELY BACK ON CAMPUS

The College is providing Lateral Flow Testing (LFT) for students and staff.

**Testing is important to keep us all safe.** We will contact you with the date to come in for your first LFT. The College will be open for students who have tested negative and we will keep in touch to let you know when to come in.

We are doing this in phases so if you haven't heard from us yet don't worry we will be in touch!

A merger between Uxbridge College and Harrow College

Apprenticeships & Skills  
Harrow College & Uxbridge College
